Contemporary Classics

Study plans for all these Fantail Yacht designs are shown in larger detail in our book, **SMALL SHIPS**. It also has photos and more detailed information about them and scores of our other power boat designs. For more information about **SMALL SHIPS**, see our price list, **DESIGNS & SERVICES**. Or, give us a call at 410-745-3235 to discuss how to make one of these Contemporary Classics your next yacht. Our waterways could use some more esthetic diversity and these boats will add some classic elegance.
