Ferry Yachts

Study plans for all these Ferry Yacht designs are shown in larger and greater detail in our book, **SMALL SHIPS**. It also has photos and more detailed information about them and scores of our other power boat designs. For more information about **SMALL SHIPS**, see our

price list, **DESIGNS & SERVICES**.

These designs can be thought of as houseboats that are shaped like boats to make them socially acceptable. They have all the comforts of home — and you can take them cruising.

Choice Waterfront Homes

Available with panoramic marine views from Maine to Florida or Puget Sound to Alaska. An ideal liveaboard, retirement, or vacation home, the Friday Harbor Ferry offers a majestic variety of unique marine park settings, each available without ever leaving home. These luxurious homes offer low maintenance exteriors and warm wood interiors, with all utilities installed, including bathtub with shower stall, washer, and dryer. Two bedrooms, complete kitchen, large sundeck, and three viewing porches. Economical diesel power and large tankage provides for safe and low-cost operation. Neighbors too noisy? Move your house. Tired of mowing the lawn and raking leaves? Try Friday Harbor Ferry living for fast relief.

Caution: The Sturgeon Genial warns that Friday Harbor Ferry living may be addictive and habit forming.
